The Honorable William J. Casey  
 Director  
 Central Intelligence Agency  
 Washington, D.C. 20505

Dear Director Casey:

The Government Operations Committee has been involved in oversight of the Federal Government's use of polygraph tests since the early 1960's. Recently, newspapers have contained partial accounts of the Central Intelligence Agencies' use of polygraph tests in relation to several espionage cases. That the Committee may be accurately informed of their use in those cases, I request that an accounting of each polygraph test be provided concerning Larry Wu-Tai Chin, Edmund L. Howard, Sharon M. Scranage, and Mr. Yurchenko, the Russian national. This information should include the number and dates of each polygraph examination, their purpose and authority, the type of examination performed and their results. Where possible, copies of the actual polygraph tracings with questions should be provided along with the examiner notes and any other official or unofficial documentation. Should the fulfillment of this request involve classified information, arrangements can be made with the Committee for its proper handling. Your prompt attention to this request will be greatly appreciated.

With every good wish, I am

Sincerely,

  
 Jack Brooks  
 Chairman
